PROFILE AND RESOURCE NEED ASSESSMENT OF SEFWI OBENG - MIM

Sefwi Obeng-Mim is a farming community of Sefwi Wiawso Traditional area in **Juabeso District** in the Western Region of the Republic of Ghana.

I OHENEBA NANA OBENG II became Chief of the above community in 2016.

Due to the location of my community, it is becoming increasingly difficult in accessing basic developmental projects from the central government.

Upon assumption of the Royal throne, I have discussed all resources, efforts and ideas together with the good people of the community to bring basic developmental projects that will uplift the living conditions and standards of my people.

The community is active in undertaking the below developmental projects;

1. Construction of the school building.
2. Construction of a borehole to provide safe and potable drinking water.
3. Construction of 6 (six) seat toilet facility.
4. Construction of nice Durbar ground for the Annual Traditional festival.
5. To aid in financial support and farming tools to farmers.
6. The community clinic

THE ROYAL HOUSE WILL BE GLAD TO WORK IN COLLABORATION WITH ANY NGOs and / or INDIVIDALS WHO WILL DONATE FOR ANY ONE OR MORE OF THESE MUCH NEEDED PROJECTS.

.The community is very grateful to the Royal house for their ongoing support help and look forward to build a long, sustainable sustainable future.
